The Tiger tennis team will meet the Kansas team on the Missouri courts tomorrow and Saturday in the annual tournament between the two schools. Two singles matches will be played tomorrow afternoon, beginning at 3:30 o'clock. The doubles match will be played Saturday morning at 10 o'clock and two singles matches will be played at 3:30 o'clock Saturday afternoon. The team winning three matches is champion.

Owing to the departure of Captain Fred Williams to Fort Riley to attend the Officers' training camp, Missouri's line-up has been changed. Walter Newell and Ed Warner will play for Missouri, while Kenneth Uhls and "Alie" Cowgill, captain, will fight for Kansas.

Both Missouri men are new on the team. Cowgill played last year and lost his games. Uhls has won many tournaments in Kansas City. Last year he won the Kansas State tournament; two years ago he was champion of Leland Stanford University. Newell and Uhls have met many times in Kansas City and the Missouri man has been defeated each time by close scores. Warner was high school champion in Kansas City three years ago.

Two new rock dust courts, west of Rothwell Gymnasium, will be used for the tournament.

51 Eggs Solution for Food Shortage.

"Eat ostrich eggs" is the latest suggestion for solving the food shortage question. Jewell Mayes, secretary of the State Board of Agriculture, has an exhibition at his office in the Agricultural Building an ostrich egg just received from Martin Nelson of near Bakersfield, Cal. The egg weighs two pounds twelve ounces, about the total weight of eighteen average chicken eggs. Mr. Nelson, who is a former Montgomery Countyman, says ostrich eggs are "great" eating when scrambled; so Mr. Mayes is planning a scrambled egg dinner. Incidentally, such eggs retail at \$1 apiece.

TAX DELINQUENTS GET NOTICES

J. R. Jordan, County Collector, Sends Out About 100 Daily.

County and state tax delinquents are also coming in for their share of trouble. J. R. Jordan, county collector, has been sending notices of delinquency for the last week. He is sending out about 100 such notices daily. The law allows a man five years in which to pay his taxes, says Mr. Jordan, but collectors usually send notices yearly to let the persons know how they stand. One per cent interest and 4 per cent collector's commission a month is charged on back taxes.

THOMAS K. COATS, Plaintiff, against
J. E. ROGGS, Defendant.

THE UNKNOWN HEIRS, CONSORTS, DEVISEES, ALIENES, AND IMMEDIATE, REMOTE, VOLUNTARY AND INVOLUNTARY GRANTEES OF WILLIAM JEWELL, DECEASED, DEFENDANTS.

GREETING: Now on this 16th day of April, 1917, in session of term time of the Circuit Court of Boone County, Missouri, at the April Term, 1917, of said court, comes the plaintiff, by his attorney, and files his petition in suit herein, and in said petition states that there are persons who are interested in the subject matter of his suit whose names plaintiff cannot insert in said petition for the reason that they are wholly unknown to him, and whom he cannot further describe, than as the unknown heirs, consorts, devisees, alienes, and immediate, remote, voluntary and involuntary grantees of William Jewell, deceased; that the title to the real estate hereinafter described emulates, settling, defining and quieting the same by the following patents, The United States to J. T. Kinkead on September 25, 1839 to the southwest quarter of the Southwest quarter of Section Fifteen, Township Fifty, Range Thirteen; the United States to John Kinkead on March 9th, 1855 to the Southeast quarter of the Southwest quarter of Section Fifteen, Township Fifty, Range Thirteen; that it appears of record that on the 24th day of March, 1848, William Jewell acquired title to said land, by Sheriff's deed under execution, and there does not appear of record any deed from said Jewell to any one. And plaintiff further states in said petition that the said William Jewell is long since deceased.

It is therefore ordered by the Court that the said unknown defendants be notified by publication that the plaintiff by petition herein filed, of date April 16th, 1917, has commenced against them in the Circuit Court of Boone County, Missouri, an action for the purpose of trying, determining, settling, defining and quieting the title of the plaintiff in and to the following described real estate, lying, being and situate in Boone County, Missouri, to-wit: Forty (40) acres, the southeast quarter of the Southwest quarter, and twenty (20) acres, the west half of the southeast quarter, of the southwest quarter, in Section Fifteen, and forty (40) acres, the Northwest quarter of the Northwest quarter, of Section Twenty-two (22), all in Township Fifty (50), Range Thirteen (13), and by which said action the plaintiff seeks to forever bar and preclude the said defendants and each of them from setting up or claiming any right, title or interest in and to said real estate adversely to said plaintiff.

ORDER OF PUBLICATION.

State of Missouri) ss.

In the Circuit Court, in vacation before June Term, 1917.

C. D. RICE, Plaintiff, against (24912)

THE EXCHANGE NATIONAL BANK OF COLUMBIA, MISSOURI, a corporation, John S. Clarkson, and the unknown consorts, assigns, devisees, alienes, and immediate, remote, voluntary and involuntary grantees of Margaret E. Bass, deceased; George R. Jacobs, deceased; Margaret M. Bass, deceased; Sallie B. Gay, deceased; Everett M. Bass, deceased; and J. Lucas Turner, deceased, Defendants.

THE STATE OF MISSOURI, to the above named unknown defendants.

GREETING: Now on this 9th day of May, 1917, in vacation before June Term, 1917, of the Circuit Court of Boone County, Missouri, comes the plaintiff, by his attorney, and files his petition in suit herein, duly verified by the affidavit of Lukanen M. Price, agent and attorney for the plaintiff, and in said petition states that the interests of the unknown defendants herein so far as he is able to ascertain and knows are derived from and made apparent by the following facts and defects in the record title to the real estate hereinafter described, to-wit:

That Sallie B. Gay (nee Bass) became the owner by inheritance from her father Eli H. Bass, deceased, of an undivided one-seventh interest in the real estate hereinafter described; that she never conveyed away her interest or record; that the conveyance of record in Book 25, Page 45 and Book 56, Page 206, records of Boone County, Missouri, purported to be conveyances of her interest but they were made in the name of her husband and the acknowledgments indicate that she was not present upon them; that they were not properly served and the decree is not binding upon them; that they are both dead and their heirs are to plaintiff unknown.

That Margaret E. Bass and Everett M. Bass, deceased, their father, an undivided interest in said land; that the decree and order of sale in the partition suit recorded in Book 1, Page 125, which purports to dispose of their interests is void for the reason that they were minors at the time of the suit and the trial was had less than 30 days after service of process upon them; that they were not properly served and the decree is not binding upon them; that they are both dead and their heirs are to plaintiff unknown.

That Everett M. Bass on June 14, 1873, conveyed said land by deed of trust recorded in Book 8, Page 139, records of Boone County, Missouri, to James H. Vaughn as trustee to secure certain notes payable to the Exchange National Bank, John S. Clarkson and Margaret M. Bass; that after making said deed of trust as to him, which deed is recorded in Book 84, page 93 of records of said Boone County; that it is not clear whether said deed of trust is wholly void or void only as to said assignee. That said deed of trust remained valid as to the other parties thereto then the same is an unsatisfied lien on the land. That Margaret M. Bass and Everett M. Bass are both dead; that by virtue of said unsatisfied deed of trust the unknown heirs, devisees and alienes of the said Everett M. Bass, deceased, and of said Margaret M. Bass, deceased, claim some right, title or interest in and to said land.

That Virginia C. Hunt and George A. Castleman, her trustee, did on October 18, 1883, by deed of trust recorded in Book 17, page 414, records of said Boone County, convey the said land to Henry L. Conet and Charles H. Turner, as trustees to secure notes payable to J. Lucas Turner; that J. Lucas Turner never satisfied or released said deed of trust; that on February 25, 1895, a marginal satisfaction and release was made by the Exchange National Bank of Columbia, Missouri, by W. W. Garth, Asst. Cashier, and at this time the notes were produced and cancelled; however, it does not appear that the notes were indorsed and the bank does not satisfy the deed of trust as assignee; that J. Lucas Turner is now dead and his heirs are to plaintiff unknown.

And plaintiff further states in said petition that the said Margaret E. Bass, deceased, and the said Margaret M. Bass, deceased, and the said Sallie B. Gay, deceased, and the said Everett M. Bass, deceased, and the said J. Lucas Turner, deceased, respectively, whose names and places of residence are to plaintiff unknown, and whose names he cannot insert in said petition because unknown to him; that said unknown parties derive, or claim to derive their claims or title as heirs, devisees, consorts, alienes or immediate, remote, voluntary or involuntary grantees of said deceased persons, respectively, as their respective ancestors, predecessors in title, and that the plaintiff has described the interests of said unknown parties, and how derived so far as his knowledge extends, to-wit:

It is therefore ordered by the clerk of said court, in vacation that the said unknown defendants be notified by publication that the plaintiff by petition herein filed of date May 9, 1917, has commenced against them in the Circuit Court of Boone County, Missouri, an action for the purpose of perfecting the record title of the plaintiff, by limitation, in and to the following described real estate lying, being and situate in Boone County, Missouri, to-wit: 30 acres more or less, the E. half of the N. W. Quarter and 155 acres more or less, all that part of the N. E. Quarter that lies West of the Columbia and Ashland gravel road in Section 34, and 7 acres, more or less, all that part of the N. W. Quarter of Section 35 that lies west of the Columbia and Ashland gravel road; all in Township 47, Range 12; and by which said action the plaintiff seeks to forever bar and preclude the said defendants and each of them, from setting up any interest or claim in or to said real estate adversely to said plaintiff.

It is further ordered that the said unknown defendants be and appear in this court on the first day of the next term thereof to be held at the Court House in the City of Columbia, Boone County, Missouri, on Monday, June 18th, 1917, to answer or plead to said petition, or in default therein said petition will be taken as confessed and judgment will be rendered against them, in accordance with the prayer of plaintiff's petition.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in The Daily Missourian, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiff's attorneys as most likely to give notice to said defendant; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of said court.
